

NEW DATA ON THE HISTORY OF JEWS FROM ROMANIA

*Anca OLTEAN**

Abstract: *The present paper brings new information about the situation of Jews of Romania in the time of Holocaust and its aftermath (the years of transition to communism and the first years after the setting of communism). It appears that the Jews from Transnistria were deprived by their fundamental rights under the leadership of Ion Antonescu and many of them were killed in their interaction with Romanian military forces. After the war, the surviving Jews have the right to adjust to the communist regime, and to integrate in the communist state, but they have to close their organizations and the ties with Israel were considered as dangerous, although they continued to dream and search ways for emigration.*
