

# IS THIS THE RIGHT TIME FOR A FREE TRADE AGREEMENT BETWEEN THE EUROPEAN UNION AND CANADA?

*Sanda FĂRCAȘ\**

**Abstract.** *The present paper is investigating the prospects of the European Union and Canada to form a Free Trade Agreement (FTA) from a network formation game perspective. By looking at the preconditions that define such kind of economic partnership, we intend to determine to what extent we can predict whether or not this project is going to be stable or not and consequently, achievable.*
